

Dear Valued Merchant,
Congratulations! Your application for a merchant account has been approved. As a full-service credit card processing company, providing cutting-edge processing software, hardware and merchant account services, we look forward to a long and prosperous relationship with your company.

Enclosed with this letter you will find the following:

- Merchant Information – This contains your MID and DBA name. You will use this with for identification when calling in to Client Services.
- Voice Authorization and Important phone numbers.
- Cardholder Fraud Guide – This will help you identify any potential cardholder fraud.

First Data Omaha Back End Processor (FDCO):

Merchant ID

First Data Nashville Front End Processor (FDC):

Merchant ID

Terminal ID

First Data 24 Hr Support Desk

First Data Omaha (800) 228-0210

First Data Nashville (800) 647-3722

Voice Authorization (800) 228-0210

The voice authorization system allows you to authorize a transaction that you can process on your credit card terminal. The voice authorization system allows you to obtain approvals without having your credit card terminal nearby.

Please contact Client Services to activate your Online Reporting. You can contact us via email at clientservices@merituspayment.com or by phone at (888) 851-7558.

Thank you for your business and we look forward to serving you in the future.

Regards,

Client Services
